

Wow, How Time Flies! VISC Celebrates Its 10th Anniversary

The Veterinary Insurance Services Company (VISC) is celebrating its 10th anniversary as the provider of business and personal lines insurance for veterinary professionals in California.

The CVMA has provided group insurance programs for its members for more than 50 years. The CVMA established VISC, a full-service insurance brokerage and wholly-owned subsidiary, to further enhance this service. VISC began providing veterinary insurance services on January 1, 2008.

VISC offers an array of insurance products and services specifically designed to meet the business and personal needs of the veterinary community. Their insurance programs include business package, workers' compensation, commercial automobile, professional liability, umbrella liability, employment practice liability, and cyber liability insurance. VISC also offers personal lines of insurance coverage including homeowners, renters, automobile, motorcycle, watercraft, recreational vehicles, and umbrella liability.

VISC employs highly qualified insurance professionals with more than 100 years of combined experience working with California veterinarians. Their insurance specialists include Mark Maeyama and Matt Smith serving Northern California and Art Cruz and Kathy Noe serving Southern California. Their staff provides top notch customer service and are dedicated to serving the insurance needs of CVMA members.

VISC supports and participates in events with California's two veterinary schools, UC Davis School of Veterinary Medicine and Western University College of Veterinary Medicine. VISC scholarships have been established for both schools and they sponsor many veterinary school events such as freshmen, senior, and graduation activities.

The success of VISC is directly related to the support and trust that CVMA members and policyholders have placed with them. The CVMA and VISC look forward to many more years of excellent service to the veterinary profession in California.

Congratulations, VISC! ■
